# PRINCETON LEARNING EXPERIENCE

The following are examples of students from the Princeton Learning Experience Team in the Model United Nations conference activities:

In the above photo, PLE Team delegates Alexander and Cynthia, who represent the United States, won the highest award, Best Delegate, at the PMUNC (Princeton University Model United Nations Conference) held in March 2021.

At the YMUN ( Yale University Model United Nations Conference ) held in early 2021, Claire of the 8th grade from the PLE representative team performed very well under the supervision of the PLE advisor with achievement of Outstanding Award. Claire also joined the other three PLE delegate teammates with the Award of Honorable Mention in the Essay Writing competition of the same MUN conference hosted by Yale University.

# PRINCETON LEARNING EXPERIENCE

The Princeton Learning Experience (PLE) team achieved excellent results at the HMUN China 2021 Model United Nations (MUN) conference hosted by Harvard University:

**1 Best Delegate, 1 Outstanding Delegate, 2 Honorable Mention**

## Parents' Comments on PLE Model UN Program

Parent of Daniel (student of PLE Middle School Level Model UN program) ::

"Thank you teacher for your encouragement and help."

"During the epidemic, Daniel was very happy to participate in the study and competition for half a year, and slowly fell in love with MUN. The online training courses provide learning opportunities that we don't have in the local area. The teacher is responsible and serious. Recommend!"

Parent of Henry (student of PLE Middle School Level Model UN program):

"Thank you for your input and dedication!"

Parent of Claire (student of PLE Middle School Level Model UN program) :

"Thank you very much! Thank you for having such good teachers, staff and classmates! Claire has received the support and love of the PLE family in 2020, very lucky!"

Parent of Alex (student of PLE High School Level Model UN program) :

"Thank you PLE teachers"

"Thank you PLE and coach hard work too"

Parent of Cynthia (student of PLE High School Level Model UN program, in China)

"Thank you, thank you very much to the teachers and coaches of PLE. Cynthia said that this MUN benefited a lot. The level of the players participating is not low, so the whole conference process is challenging and very interesting. Because it is the first time to participate in MUN in the United States. Many rules are different and lack of experience. I hope to do better next time."

"A perfect experience, thank you!"

"Like the seriousness and professionalism of coach PLE and Matthew "

Parent of Jack (student of PLE High School Level Model UN program) ::

"Thank you PLE for providing high-quality courses to the children, thank you for the coach's guidance,..."

Parent of Steven (student of PLE Middle School Level Model UN program) :

"Congratulations to every outstanding PLE student who participated in the competition! Thank you teacher and PLE management staff for your guidance, help and encouragement! Come on!"

Parent of Albert Zhu (student of PLE Middle School Level Model UN program) ::

"Thank you PLE's coaches for teaching the children with great care and responsibility, and thank the teachers, club leaders and organizers for being very dedicated to their work and spending a lot of time and energy"

Parent of Saeed Tambol (student of PLE Middle School Level Model UN program):

" Thank you very much. Big thank you to the PLE team and coaches for their efforts. "

Parent of Bill ( student of PLE Middle School Level Model UN program) :

"Thank you PLE's coaches for teaching the children with great care and responsibility, and thank the teachers, club leaders and organizers for being very dedicated to their work and spending a lot of time and energy"
